#### **NEWS @ A GLANCE:**

On Saturday, April 28, 2007, the Girl Guides of Manitoba are connecting with the earth as they celebrate Earth Day in coordination with the Naturalist Services Branch, Parks and Open Spaces Division, Public Works Department and the Water and Waste Department of the City of Winnipeg. (for more details, please read the full media release below)

WINNIPEG - April 27, 2007- On Saturday, April 28, 2007, the Girl Guides of Manitoba are connecting with the earth as they celebrate Earth Day in coordination with the Naturalist Services Branch, Parks and Open Spaces Division, Public Works Department and the Water and Waste Department of the City of Winnipeg.

Over 400 Girl Guides will make a difference and help create a healthier earth by participating in environmental education activities and tree planting. 2000 native poplar tree species will be planted at the Summit Road Landfill as part of a larger trial remediation project to reduce leachate production and restore natural habitat.

Earth Day is celebrated around the world on April 22 and throughout the month of April each year.
